**SPONSORSHIP COMMITMENTS:**

**House Sponsors:** Provide a house captain skilled in home repairs and a group of **10 or more volunteers**. These sponsorships are available on a limited basis as groups commit to projects. Sponsors are required to recruit from within their group, volunteers who are handy in carpentry, electrical and plumbing repairs. Sponsors are also required to recruit co-captain and a house ambassador to assist with the leadership and logistic management of a site. Sponsors are expected to provide and complete in full quality home repairs and modifications.

**\* Project Day Sponsors:** Provide a house captain skilled in home repairs and a group of **10 or more volunteers**. These sponsorships require the Sponsors to purchase all required materials to repair a home. Sponsors are required to recruit from within their group, volunteers who are handy in carpentry, electrical and plumbing repairs. Sponsors are also required to recruit co-captain and a house ambassador to assist with the leadership and logistic management of a site. Sponsors are expected to provide and complete in full quality home repairs and modifications.

**SPONSOR PREFERENCES:** Every effort will be made to meet your site preference. Our primary concern is ensuring that all repairs are made in accordance with professional standards and that the homeowners primary needs and concerns can be successfully addressed by the sponsoring organization.

**We would prefer to volunteer:**

- October, 25<sup>th</sup>, 2008 “*Make a Difference Day*”
- April 25<sup>th</sup>, 2009 “National Rebuilding Day”
- Another Saturday TBD by your group or company
- A weekday TBD by your group or company

**We would prefer to work with:**

- Elderly
- Families with children
- Disabled
- Any geographic preference: \_\_\_\_\_
- Does not matter
- Non profit facility

**Would your group be willing to work with a homeowner whose home has excessive clutter within their home?**

- YES
- NO

**Please describe the type of repairs that are best suited for your organization**

**Light House** A **LIGHT** house may need scraping, painting and/or cleaning. It may need some weather-stripping or light repair work. It can be staffed with unskilled volunteers and a handyman. This type of site may require a **minimum of one or two days** of prep work culminating in the completion of the repairs on Project Day

**Medium House** A **MEDIUM** house requires an experienced House Captain and one or more skilled volunteers. It may need carpentry, the installation of a wheelchair ramp, electrical and plumbing work. This type of home may require a **minimum of one to two weekends** of prep work culminating in the completion of the repairs on Project Day.

**Heavy House** A **HEAVY** house needs a substantial amount of work requiring several skilled people. The House Captain should be prepared for a major workload. It will usually require an advanced crew of skilled volunteers for a **minimum of two to three weekends** of prep work culminating in the completion of the repairs on Project Day.

**Please list the number of skilled and professional volunteers your organization/group has within its ranks. Please remember that all groups are asked to recruit volunteers who are handy with repairs related to plumbing, electrical and carpentry.**

**\*Skilled Trade:** A volunteer who has sufficient technical skills and resources to know what can be done, what cannot be done, and what should not be attempted. These volunteers are typically Crew Leaders who will supervise a small number of volunteers to perform a specific task through completion.

**\*\*Professional Trade:** A volunteer who is an expert in a given trade. These volunteers are a valuable resource and may be needed on multiple sites. Our goal is to use this type of volunteer as efficiently and effectively as possible.
